

## INDEX MS32C

**Kind : Cnc multispindle lathe**  
**Manufacturer : INDEX**  
**Model : MS32C**  
**Year : 2009**  
**Serial : 150726**  
**Stock : 10517**

### TECHNICAL DETAILS

- Number of spindles : 6
- Max. bar diameter : 32 [mm]
- Spindle speed : 6300 [rpm]
- slide unity 1.1 : X and Z axes controlled by CNC
- slide unity 1.2 : X and Z axes controlled by CNC
- slide unity 2.1 : X and Z axes controlled by CNC
- slide unity 2.2 : X and Z axes controlled by CNC
- slide unity 3.1 : X and Z axes controlled by CNC
- slide unity 3.2 : X and Z axes controlled by CNC
- slide unity 4.1 : X and Z axes controlled by CNC
- slide unity 4.2 : X and Z axes controlled by CNC
- slide unity 5.1 : X and Z axes controlled by CNC
- slide unity 5.2 : X and Z axes controlled by CNC
- slide unity 6.1 : X and Z axes controlled by CNC
- slide unity 6.2 : X and Z axes controlled by CNC
- synchronous unit, spindle position 6.1 : X and Z axes controlled by CNC

### EQUIPMENT

- CNC Siemens 840D
- Counter spindle
- Double control panel
- 2 NCU
- Bar loader : IEMCA SIR MS32 F
- Coolant tank : KNOLL
- \* with high pressure pump

**Kind : Cnc multispindle lathe**

**Manufacturer : INDEX**

**Model : MS32C**

**Year : 2009**

**Serial : 150726**

**Stock : 10517**

- Chip conveyor

: KNOLL

- Cooling unit

: Riedel WTS 030.02-NE

- Unloading system with 2 CNC axes

- Fire extinguisher

: KRAFT UND BAUER

\*NB

: working order not guaranteed. To have it checked by a qualified organization of the buyer.
